

SCIENCE HAPPENS HERE

Science Open House

Institute of Marine and Environmental Technology

Saturday, May 5th
1:00-4:00 PM

701 E. Pratt St.

Get a **behind-the-scenes** tour
of our Aquaculture Research
Facility

See "**Nature's Nightlight**" -
microscopic organisms that
glow in the dark

Learn to use a pipette and talk
with our graduate students about
what it's like to be a scientist

Enjoy refreshments and enter
a **free raffle** for tickets to the
National Aquarium
